

Right to Know Notification

Right to Know Professional Qualifications of Teachers and Paraprofessionals

Date: August 19, 2024

Dear ICAGeorgia Families,

In compliance with the requirements of the Every Students Succeeds Act, the International Charter Academy of Georgia would like to inform you that you may request information about the professional qualifications of your student's teacher(s) and/ or paraprofessional(s). The following information may be requested:

- Whether the student's teacher—
 - has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
 - is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived; and
 - is teaching in the field of discipline of the certification of the teacher.

- Whether the child is provided services by paraprofessionals and, if so, their qualifications.

As a unique innovative program, ICAGeorgia was granted a full flexibility or blanket waiver permitted by O.C.G.A. § 20-2-2065(a). This waiver will allow ICAGeorgia the ability to be flexible and modify operational and instructional plans as needed to successfully meet the needs of a diverse student body as well as hire qualified teachers with experience in Dual Language education who are not certified in Georgia (O.C.G.A 20-2-200).

If you wish to request information concerning your child's teacher and/ or paraprofessional's qualifications, please contact the school at info@internationalcharteracademy.org.

Sincerely,

Felecia Tucker-Jones
